

Kasper Haggström

Since beginning his career in snowboarding videos, Kasper Haggstrom has been for quite some time a star in the Norwegian comedy and storytelling circuit. Like all the best and most biting comedy, Kasper draws relies on an apt collection of real-life observations.

Kasper's latest work, a promo for Kelly Lee Owens, has steadily risen to Cult level status and won the prestigious UKMVA in 2018 for Best Dance Video (Newcomer). In 2021 Kasper directed the music video for Radiohead's "If You Say The Word".
